Curious? Give us a try!

The membership fee is currently 23,00 € within Germany and 28,00 € outside of Germany. The membership fee ensures you a membership for three FAN-MAILs with the newest information on Queen.

The FAN-MAIL is published approximately every 4-6 month. Thus your membership lasts for about 12-18 month per subscription. After that you have to renew your membership. We will remind you in time before your membership terminates, so you won't miss a thing.

The membership fee can be payed in cash, via bank transfer or via direct debit authorization. Within Germany payment is also possible via account-only-cheque. The details for bank transfer are:

Helmut Priebe
IBAN: DE12200100200702865203
BIC: PBNKDEFF

The issuance of a direct debit authorization is most convenient for you because you don't have to see to anything. Your membership is renewed automatically. Of course you can resign your membership at any time. After that you'll only get the remaining issues for which you paid your last subscription and we will no longer make use of your direct debit authorization.

If you authorize a direct debit mandate we will conduct it as a SEPA-direct-debit-mandate according to the latest regulations. This mandate is marked by

- the mandate reference (Q + your membership-number, which we'll send to you upon reception of your registration)
- and our Creditor Identifier (CI): **BE76ZZZ00000975585**.

You will find them on your bank statement every time we use debit entry.
